

*Dear Future Saints Peter and Paul Family,*

Thank you for your interest in Preschool or Pre-Kindergarten at Saints Peter and Paul Parish School. We are thrilled to announce the opening of our half day Preschool and full and half day Pre-Kindergarten programs, a warm and nurturing environment where your child will grow and succeed!

We are excited about the amazing opportunities that the Preschool or Pre-Kindergarten will provide your child. With the incorporation of child development experts, knowledge of various learning styles, state standards and core values of Catholic education, our curriculum will ensure an atmosphere where students will flourish as individuals encouraged to recognize their God-given talents.

At Saints Peter and Paul School, children are provided a safe and fun environment where they learn through active exploration, interaction with other children and have the support of an entire community of learners. All programs are student-centered; fostering the development of faith, creativity, self-confidence, independence, respect for self and others, communication and school readiness.

While our teachers and staff work very hard to prepare your child to excel academically, they are equally focused on instilling Catholic values into their young hearts and minds so that when faced with a difficult decision outside the classroom, your child has the character to make the right choice, based on the teachings of Jesus Christ! Additionally, at SSPP, we believe in working collaboratively with families toward your child's educational development and spiritual guidance.

We are inviting you and your child to take part in this amazing experience that will make a difference throughout your child's life. Again, thank you for your interest. Please contact us with any additional questions and to arrange a visit. We are here to support you as your child makes the transition to school. Welcome to Saints Peter and Paul!

*May God richly bless you as we partner together in the learning and growth of your child!*
